Education

Peking University **Beijing, China**
B.S. in Computer Science; B.Econ. in Economics *Sep. 2023–Jun. 2027 (expected)*

GPA: 3.84/4.0 (Top 10%)

Selected Coursework:
Computer Science: Data Structures and Algorithm A (96), Introduction to Computer Systems (91), Computer Networks (96), Computer Architectures (90), Operating System (93), Algorithm Design and Analysis (94), Introduction to Computer Vision (94), Introduction to Artificial Intelligence (94).
Mathematics: Linear Algebra A (91), Discrete Mathematics (92), Probability Theory and Statistics (91).
Economics: Intermediate Microeconomics (96), Intermediate Macroeconomics (97), Econometrics (100), Game Theory (94), International Trade (98), Industrial Organization Theory (Honor) (96).

Experience

Galbot **Beijing, China**
Research Intern *Sep. 2025–Sep. 2026*

- **Real-world experiments:** Integrated multiple real-world robot platforms (Galbot G1, Franka, and ARX); collected teleoperated demonstrations for post-training via GELLO.
- **Simulation and evaluation:** Integrated and debugged multiple robot embodiments in simulation; adapted the LIBERO evaluation setup to better evaluate model's generalization ability.
- **Model training:** Incorporated post-training data into the training pipeline and contributed to experimental design and result analysis.
- **Open-source code:** Refactored the model training codebase to improve clarity and reproducibility, and open-sourced the improved implementation to facilitate reuse and further development.

Student Union, School of EECS **Beijing, China**
Member, Operations Department *Sep. 2023–Jun. 2024*

- Helped operate the school's official WeChat account, using Xiumi to format posts and assisting with content editing and publication, ensuring timely updates and a consistent visual style.

Selected Awards

National Scholarship *(Most prestigious scholarship in China; **2-time** recipient)* *2024–2025, 2025–2026*
Yanchuang Capital Scholarship *(Top 15% in academic performance)* *2023–2024*
Peking University Merit Student *(Top 14%; **3-time** recipient)* *2023–2024, 2024–2025, 2025–2026*
